SHOWREELS | HEADSHOTS | SELF TAPES | MONOLOGUES

DJW approved headshot, showreel, self tape and monologue shoot days are held every year. Dates may vary. Payments should be made electronically with a reference of DJW headshot, self tape, monologue or showreel and your name. If you are doing more than one the reference should be DJW Media along with your name. We do not currently offer a deposit service at this time.

If you miss the first headshot or self tape | monologue session, you will be added to a waiting list and asked to attend a later date. Please raise any concerns on the day of your shoot if you are not happy or would like to try again. Once the session has ended you are not eligible for a refund or reshoot. DJW Talent will keep your headshots, self tapes, monologues and showreels on file for 30 days. After the 30 days we will not store them and files will be deleted.

We strongly advise that you have a consultation with us prior to a booking via email, telephone or face to face to discuss any concerns you might have.

For showreel shoots you will be asked to find your location, props, costume and additional requirements for the shoot and if the location is further than Teesside, additional travel costs may be incurred.

The showreel service or headshots may be outdoors, so please bring sensible clothes to keep warm and bring plenty of water and food as we are not responsible for catering or comfort. You are also responsible for your own locations, costume, props and setting. Hair and make-up is also up to the individual actors to arrange.

Please make sure that you are fully off script and well rehearsed. We do not have the time for multiple retakes, however, we will have time to rehearse and block the scene to make you more comfortable.

Each scene will be edited to a 2-3 minute reel and we aim to give a fair and balanced edit, showing each actor 50/50 although this is not always entirely possible. We do however

endeavour to aim for this result. Each actor will get their own digital copy. It is your responsibility to store your footage as DJW Talent may delete files after the 30 days.

You will need to provide us with a high resolution headshot for the start and end cards.

Headshots will also be approached in the same working manner, DJW aim to take as many photos as we can in the allocated time with an aim of providing 3-5 images that can be used in your portfolio | Spotlight | Website | Social Media etc. You are welcome to bring a change of clothes to the studio, if time permits. Please view all images before leaving the studio to ensure that you are happy. You are entitled to all of the images taken and will be provided with approximately 2-5 edited and modified images.
